

FIG. 1

FIG. 1 is a schematic diagram of a circular device 12. The device is divided into four quadrants, labeled 20a, 20b, 20c, and 20d. Each quadrant contains a similar internal structure. In quadrant 20a, the structure includes components 22a, 24a, 26a, 27a, and 29a. In quadrant 20b, the structure includes components 22b, 24b, 26b, 27b, and 29b. In quadrant 20c, the structure includes components 22c, 24c, 26c, 27c, and 29c. In quadrant 20d, the structure includes components 22d, 24d, 26d, 27d, and 29d. The quadrants are separated by dashed lines, and the entire device is enclosed in a dashed circle.
